POSITION OPEN: PUBLIC RELATIONS INTERN

MERLOT MARKETING, INC., a full-service public relations, advertising, promotions and marketing agency, is taking resumes for consideration for its public relations internship program. MERLOT MARKETING seeks a college student majoring in communication studies (or any of its related fields), of junior or senior standing, and with a minimum GPA of 3.0. This student should be interested in breaking in to the public relations field. He or she should be intelligent, motivated, organized, a self-starter, a strong communicator, and should possess the ability to take direction well. We ask that this student allocate 20 hours per week to spend at the internship. It is also a requirement that the student be receiving credit toward his or her degree or be receiving transcript notation with this internship.

While the internship is unpaid, tasks to be assigned to the intern may include: writing press releases, building and organizing media contact databases, tracking press features, assisting with events and promotions and much more. This is wonderful experience in the field of public relations, as the intern works directly with the public relations department on tasks involving a majority of Merlot Marketing's clients. With accounts including national consumer campaigns as well as local campaigns, there is an opportunity for the student to learn a variety of PR tactics.

If you meet these requirements, we would like to meet you! Please send your resume, cover letter and a writing sample to Jana Sanders Perry at jana@merlotmarketing.com.
